Message from Mayor Marie D. Lawrence

Somehow the summer is now behind us, and the fall weather is here. This summer was full of new and longstanding family events. Of course, bringing fireworks back this year was something we all enjoyed! The good news is – the township will be having fireworks again next year on July 4th. Stay tuned for details. This fall will be full of new opportunities as well, with lots of exciting events and programs, and a fresh start for our youth as they begin another school year. I wish each of our students and educators a very successful year ahead.

The Township will continue to work alongside state and county entities to be proactive with park maintenance, including some great new additions. This newsletter showcases some of the wonderful projects coming to our parks – such as Jake's Place at New Brooklyn Park!

We have worked very hard to ensure smart growth in the township, which includes keeping the desire of residents at heart about open space, recreation areas, and opportunities for employment. We hear you – Winslow Township is a great place for families to get outdoors, and to enjoy the neighborhoods, parks, and open space that the township provides! Smart growth is one that takes into consideration the interests of current residents and businesses, and balances that with ensuring the future needs and opportunities are met for our township. It requires an ongoing process done through years of well thought-out and balanced zoning, master plan reviews, engineer and planning professional reviews, and input by residents, businessowners, and landowners such as yourselves.

I encourage you to learn more about upcoming/proposed projects as they come before the Planning and Zoning Boards so you can be informed about what is taking place in the township, and how the process works for such projects. All meeting agendas are on the township website prior to the scheduled meetings. This is your town, and we want to work with you to ensure a healthy and thriving municipality now, and plan for future generations.

Township roads are a top priority as well. The Township works diligently to ensure all roads are maintained and repaired as quickly as possible to keep disruptive, major road work to a minimum. However, please notify the township immediately if you see a pothole or other roadway concern so that it can be addressed as quickly as possible. The best way to do this is through the township mobile app – My Winslow. The Public Works Department is also working with the township engineer to conduct pavement preservation projects in several developments, such as Meetinghouse Circle in Wilton's Corner.

I want to work with you to make sure the place that you and I call home, is a place you enjoy for many years to come, and one that provides you with opportunities for your family and businesses.

In closing, thank you for allowing myself, the Township Committee, and staff to serve you. This is a team effort that includes residents, business owners, first responders, and our nonprofit entities. Winslow Township is better...when we work together!

Marie D. Lawrence
Mayor

FINANCE

5 Year Commercial Tax Abatement Bills

The Township offers eligible properties a 5-year phased-in tax abatement program. The abatement is applied to the structure, be it either new structures or additions to existing structures. The first year, property owners will pay no tax on the structure, with each following year being billed at 20% increasing increments (20%, 40%, 60% & 80%) of taxes that would be paid if no abatement was in place. For those property owners participating in the abatement program, you will receive 2 separate and distinct bills: one being from the Finance Office for the abatement payment for the structure, and one from the Tax Collectors Office for land taxes, which are billed at full taxation for all 5 years of the program.

Grants

The Township has always been aggressive in its attempts to obtain grants to fund various projects in an effort to reduce the burden to the local budget. In many instances, these grant awards are received after the municipal budget is adopted. The State, however, provides a mechanism to amend the budget to reflect the grant awards. So far, in 2023 since the final adoption of our budget, we have received grants in the amount of \$311,477.00 for a paving project in Wilton's Corner, \$285,452.00 from the Department of Law and Public Safety for Gunshot Detection Technology, and several other grants that offset public safety and public works costs.

ZONING

A property survey confirms property boundary lines and the legal description of a deed. It will also show other restrictions or easements that may have been conditioned on the property as part of the subdivision process.

Winslow Township Planning and Zoning will have copies of surveys only if work was done in the past that would require such. A new survey can be an added expense, please check with the Township if you are looking for a copy of a survey.

A friendly reminder that a zoning permit application is required before constructing any new structure on your property, including replacing a fence, adding a shed, or extending your driveway. A survey is required as part of this application.

PLANNING AND ZONING BOARD MEETINGS

Winslow Township Planning Board meets the third Thursday of the month, beginning at 7:00pm

Winslow Township Zoning Board of Adjustment meets the second Wednesday of the month, beginning at 6:30pm.

The agendas are made available to the public 10 days before the meeting and posted on the township website. You can also find past meeting minutes there as well. Go to the homepage, under community events you will see a blue button labeled agenda/minutes. You can then follow the link to view each. Any questions about any of the above can be directed to the Planning and Zoning Department at 609-567-0700, option 6.

MEDIATE DON'T LITIGATE

Mediation is an alternative to resolving disputes in Municipal Court. Trained mediators listen to all sides to help the parties to reconcile or settle disputes without court intervention. Community Dispute Resolution is solution oriented and dedicated to the principal that the settlement of a dispute rests with the disputants themselves. In court, you do not determine the outcome of your case. Through mediation however, parties reach their own solutions. Some examples of the types of cases referred to mediation are: Harassment, theft, trespassing, noise complaints, destruction of property and animal complaints.

Why is Mediation recommended?

1. There is no court cost to either party.
2. If mediation is successful, the complaint will be dismissed.
3. Mediation promotes harmony among disputing parties because these parties play a role in the resolution of their case.
4. It's a win/win for all parties involved.

Complaints can be filed with the Municipal Court Monday, Tuesday, Thursday, and Friday from 8:30 am to 3:30 p.m. Mediation is held the first Thursday of each month at 7:00 p.m.

BOARD OF HEALTH/VITAL STATISTICS

WE'VE MOVED! The Board of Health/Vital Statistics Department has moved into the main municipal building (across from the Clerk's Office).

The Winslow Township Board of Health assists residents with their health and safety concerns. The department will connect residents with agencies (public/private) that will address issues such as emergency housing, meals for the elderly, medical transportation, senior services, overdue gas/electric bills and assist residents in resolving their hazmat complaints.

The Winslow Township Vital Statistics Department is here to help residents acquire certified copies of birth, marriage, and death certificates. Please call 609-567-0700 ext. 8008 or ext. 7002 to schedule an appointment.

CODE ENFORCEMENT/ANIMAL CONTROL

Winslow Township Code Enforcement Department focuses on neighborhood preservation. The property maintenance code is an essential part of maintaining the appearance and integrity of Winslow Township. This code holds property owners responsible for the upkeep of their properties. The main goal of the code enforcement program is to bring to the attention of residential and business owners any existing code violations that could have a negative impact on their property, neighborhood, and the community.

Code Enforcement is implemented on a complaint driven basis and through routine and proactive enforcement of municipal ordinances. Some violations include trash or debris accumulated on a property, property maintenance violations such as high grass, dead trees, overgrown shrubbery blocking sidewalks, vehicles parked on lawn and inoperable vehicles. For complaints or inquiries, you can email sheinz@winslowtownship.com or call 609-567-0700 extension 7002.

The Animal Control Department provides many animal-related services to the residents of Winslow Township. Animal Control will respond to complaints of dogs running at large, confined animals, nuisance animals, and animal cruelty. This department also handles feral cats by trapping and taking to Homeward Bound Animal Shelter. Animal Control will also investigate reports of an animal bite and report it to the Camden County Board of Health Department. For complaints or inquiries, you can email sheinz@winslowtownship.com or call 609-567-0700 extension 7002.

WINSLOW TOWNSHIP'S OFFICE OF EMERGENCY MANAGEMENT ("OEM")

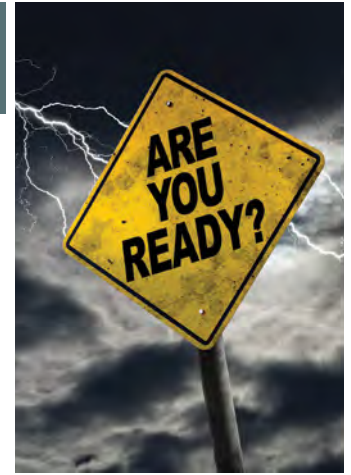

What OEM Does:

Winslow Township's Office of Emergency Management helps all members of our community **BEFORE, DURING, and AFTER** emergencies and other incidents through Preparedness, Education, Response and Recovery.

Your OEM agency is responsible for coordinating Township-wide emergency planning and response for all types and scales of emergencies and major incidents.

OEM is staffed by dedicated professionals with diverse backgrounds and expertise in Law Enforcement, Firefighting, and Emergency Medical Services.

OEM coordinates with Township Government as well as with all Winslow Township emergency first-responders including our Camden County, State and Federal partners.

WHAT YOU CAN DO:

Now that you have a better understanding of Emergency Management, you may be thinking what YOU can do to support our mission of Preparedness, Education, Response and Recovery.

- **Preparedness:** Keep emergency supplies in the form of a disaster preparedness kit ("Go Bag") which will provide you with all the items you need to survive for a minimum of 72 hours. Ready.Gov and the American Red Cross provide excellent kit suggestions.
- **Education:** Get informed. Signup for alerts and warnings, such as My Winslow, Nixle/ Everbridge, Fema.Gov, etc., to receive vital information during an emergency.
- **Response:** Understand how your medical, physical and cognitive needs may affect your ability to respond to a disaster or emergency. Sign up for NJ Register Ready.
- **Recovery:** Build your support network and identify family, friends, neighbors, caregivers and others who may be able to assist you during times of crisis.

HOW TO RESPOND DURING A DISASTER – The 3 Most Important Things To Do:

1. **Stay Informed** – Monitor news and emergency alerts for updates and guidance.
2. **Stay or Go** – Be ready to either hunker down at home or leave at the direction of the Authorities.
3. **Ask for Help** – Do not hesitate to call for assistance and be as precise as possible when explaining your needs.

HOW TO RECOVER AFTER A DISASTER - The 3 Most Important Things To Do:

1. **Return Home Safely** – only after the Authorities say it's safe to return.
2. **Work with Trusted Sources** – American Red Cross, Salvation Army, FEMA, Local Government and your Faith-Based Organizations.
3. **Manage your Property Damage** – Fully document any property damage for insurance purposes. Also, work with local agencies to remove and sort debris as advised.

For further Information:

Winslow Township's Office of Emergency Management is happy to respond to any questions or concerns you may have. Also, as a critical component of our ongoing Community Outreach, OEM schedules educational presentations, programs and lectures to all community groups upon request.

You will also find us in attendance at various township-wide Events such as Family Day, Home Fire Campaign, Fall Festival, etc. Visit us at our OEM tent and say "hello"!

You may contact Winslow Township Emergency Management:

ASSESSOR'S OFFICE

Doing work on your home? Did you know, you may qualify for a Five-Year Residential Abatement?

Here is what you should know:

1. Residential single-family properties fifteen (15) years of age or older.
2. Property owners will have 30 days from the date of completion to file the application with the Assessor's Office.
3. Up to \$25,000 of the Tax Assessor's full and true value of the improvement may be abated (exempt) from property taxes for 5 years, for those who take out proper project permits.
4. There is no application fee required for this program.
5. Applications are available from the Construction Office or the Assessor's Office when you apply for the permit.

Full prerequisites and qualifications can be found in the Code of the Township Chapter 66. Questions regarding this program should be directed to the Assessor's Office @ 609-567-0700 option #9.

Property Tax Deduction? Do you qualify?

The State of New Jersey, administered through the Assessor's Office, provides property tax deductions to Veterans, Widows of Veterans, Senior Citizens, Disabled Persons and Widows of Seniors and Disabled Persons. Each deduction has specific qualifications/prerequisites that must be met and requires the filing of an application.

Question: Want to find out if you qualify for one of these deductions?

Answer: Yes. Please feel free to call the Assessor's Office 609-567-0700 option #9

Note: Property owners who are currently receiving these deductions do not need to reapply.

Daniel's Law

Daniel's Law was enacted in response to the tragic death of Daniel Anderl, the son of Judge Esther Salas and Mark Anderl. The law prohibits disclosure of the residential addresses of certain persons covered by the law ("Covered Persons") on websites controlled by state, county, and local government agencies. The community of Covered Persons includes former, active, and retired judicial officers, prosecutors, and members of law enforcement and their immediate family members residing in the same household.

AM I A COVERED PERSON? A Covered Person is an active, inactive, or retired, state or federal, judge, prosecutor or member of prosecutor or member of law enforcement.

Attention Seniors...Winslow Senior Bus is on the Move!

Winslow Township senior residents are encouraged to take advantage of the Township's senior bus services. Our seniors have been enjoying the services that the bus provides. We provide bus trips to the casinos, eateries, Smithville and more! This free transportation service is available to Township residents 55 years and older. Bus service runs Monday through Friday from 9:00 am to 4:00 pm. The senior bus schedule is as follows:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Edgewood Acres	CCU Senior Housing Winslow Cross Creek	Elmtowne	Norway's Strawberry Village Colleen Manor	Winslow Senior Center Taylor Woods

For more information regarding any of these services, please contact us at 609-567-0700 ext.0.

OFFICE OF THE MUNICIPAL CLERK

The Clerk's Office is a major source of information for our residents. The Municipal Clerk and her staff serve as a liaison between the community and the Township.

What types of licenses does the Clerk's Office issue?

Kennel licenses, pet licenses, shooting gallery & range licenses, towing licenses, trailer court licenses, bingo/raffle licenses, business licenses, solicitor's licenses, alarm permits, yard sale permits, taxicab licenses, limousine licenses, clothing bin licenses and liquor licenses.

Who do I contact to use a Township field or park?

The Clerk's Office issues permits for the use of Township parks and/or fields for sports teams and residents. Please note: To obtain permits for the New Brooklyn Park on Erial Road, please call 856-216-2117 or visit www.camdencounty.com/parks.

CONSTRUCTION DEPARTMENT

Purpose Of Permits: The proper permit serves as protection against contractors who may not follow mandated laws promulgated for consumer protection and is also important for insurance purposes. All home improvement contractors must be registered by the State of New Jersey. For your protection, prior to hiring a contractor, please make sure they have proper licenses and registrations at <http://www.njconsumeraffairs.gov>. If you sign the permit application and allow an unregistered or unlicensed contractor to perform work at your home, you are assuming all responsibility.

Rental Property Registration: All residential rental properties are required to be registered and inspected prior to occupancy. Following initial registration and inspection, all rental properties are required to be registered annually and inspected annually or when there is a change of occupancy, whichever occurs first.

Dumpster /Container Permits: Storage containers, pods, and dumpsters require a permit for placement on private property. No person shall place or leave any dumpster on any public street, sidewalk, or alley without first obtaining the proper permit and approval from our Police Department.

Please Feel Free To Use The Drop Off Box Located Outside The Construction Office If You Are Not Available During Regular Business Hours.

45 N. Route 73 • Winslow Twp • NJ • 08009
www.thinkw.com

Beginning late fall 2023, Winslow Township residents will begin receiving new Smart Meter upgrades. This upgrade comes as part of Atlantic City Electric's effort to build a new Smart Energy Network throughout its service area, which will enhance the reliability of your energy service, provide better information during outages and support new tools and programs to help you save money and energy. A full list of frequently asked questions can be found at atlanticcityelectric.com/SEN.

Some things to keep in mind:

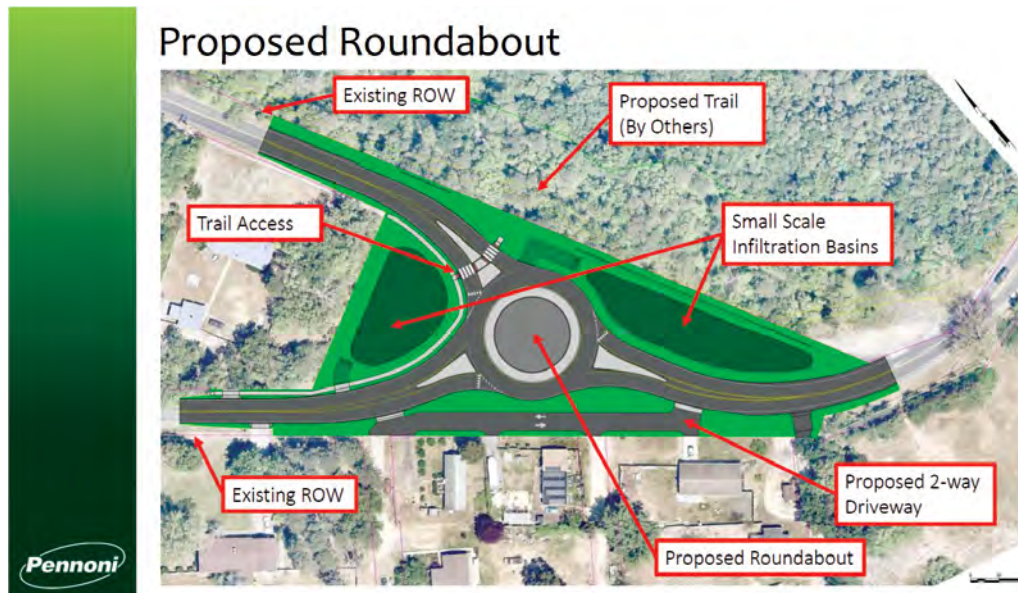

- You will receive a post card within of a few months of your upgrade and a letter within a few weeks of your installation. Approximately one week prior to your meter upgrade, Atlantic City Electric will call to remind you that your meter is scheduled for an upgrade. You can also receive reminders by signing up for text alerts in My Account at atlanticcityelectric.com/MyAccount or through Atlantic City Electric's mobile app.
- On the day of your meter upgrade, a representative from Atlantic City Electric's upgrade contractor, CCI, will knock on your door to let you know that your upgrade will take place. The contractor will carry approved Atlantic City Electric identification.
- You do not need to be home for the upgrade. However, if you normally need to give a meter reader access to your meter, please contact Atlantic City Electric at 1-800-642-3780 to schedule an appointment. Your meter location will also not be moved.
- Upgrades will take place Monday through Friday and will take no more than 30 minutes.
- You may experience a brief service outage lasting no more than a few minutes while the new meter is being installed. If there is any life-support equipment in use at this address, it is important that you notify us prior to your meter upgrade by calling 1-800-642-3780.
- Atlantic City Electric will leave a doorhanger letting you know that the upgrade was completed. If the upgrade is unable to be completed, the doorhanger will provide a number to call for an appointment.

COUNTY ROAD PROJECTS

Anticipated projects in Winslow Township include roadway and design improvements to W. Fleming Pike from Route 73 to the Gloucester County Border, and Mays Landing Road from AC Expressway to the Atlantic County border. We anticipate construction for those projects to also begin in spring 2024. Please check the township website for updates.

Sicklerville Roundabout: Construction will be performed in three stages. In the first stage, which is anticipated to begin in spring 2024, the center portion of the roundabout will be constructed between Sicklerville and Erial Roads, and both roadways will remain open to traffic. The second phase will close Erial Road to traffic, detouring traffic to Sicklerville Road. The third stage will close Sicklerville Road and detour traffic to Erial Road. Temporary lane closures or lane shifts are anticipated during each of these phases. At certain times overnight, one roadway may be closed to traffic. Detours will be provided to direct motorists to use alternate routes.

FROM THE DEPARTMENT OF PUBLIC WORKS

Cooler Air and Beautiful Leaves . . .

Fall is the perfect time to enjoy Winslow Township Parks and walking paths. Our website list all of our parks as well as what each has to offer.

With daylight decreasing faster now you may notice street lights that are in need of repair. Street lights that are out, flickering, or dimming can be reported to Atlantic City Electric on their website under the outage tab. You will then have the option to enter the pole number or the address closest to the light with an issue. Once you enter the information and submit, they will send an email back a confirmation email and send out someone to repair.

The 2023 Fall Leaf collection is listed below. Leaves MUST be out on the first day of your scheduled week pick up to guarantee collection. We are able to service each street once during the scheduled week. Leaves must be free of branches, twigs, trash, and acorns as they will clog the machine and we will not be able to collect them. Do not park vehicles on top of or close to the leaf piles on your street as this will prevent our vehicles and crew from collecting them. The dates listed are the only dates for collection.

FALL COLLECTION DATES

WARD 1	NOVEMBER 6- NOVEMBER 10	DECEMBER 4 – DECEMBER 8
WARD 2	NOVEMBER 13-NOVEMBER 17	DECEMBER 11 – DECEMBER 15
WARD 3	NOVEMBER 20- NOVEMBER 24	DECEMBER 18 – DECEMBER 22
WARD 4	NOVEMBER 27- DECEMBER 1	DECEMBER 26 – DECEMBER 29

Not sure which Ward you are in? Visit www.winslowtownship.com and click on “services” and select “Winslow Maps”. You can also call 609-567-0700 option “2” to speak to someone in Public Works.

BULK PICKUP SCHEDULE:

IF TRASH/RECYCLING PICK UP DAY IS:	YOUR BULK ITEM PICK UP DAY IS:	FALL BULK ITEM PICK UP DATES: (Subject To Change Due To Weather, Etc.)
MONDAY	FIRST THURSDAY of every month	October 5, November 2, December 7, January 5 (Friday due to holiday), February 1, March 7, April 4
TUESDAY	SECOND THURSDAY of every month	October 12, November 9, December 14, January 11, February 8, March 14, April 11
WEDNESDAY	THIRD THURSDAY of every month	October 19, November 16, December 21, January 18, February 15, March 21, April 18
THURSDAY	FOURTH THURSDAY of every month	October 26, November 24 (Friday due to Thanksgiving), December 29 (Friday due to holiday), January 25, February 22, March 28, April 25
FRIDAY	FOURTH THURSDAY of every month	October 26, November 24 (Friday due to Thanksgiving), December 29 (Friday due to holiday), January 25, February 22, March 28, April 25

BULK SCHEDULE AND CHANGES

If your bulk day falls during a holiday that Waste Management has off bulk will be collected on the Friday of that scheduled week.

Holidays Waste Management celebrate are as follows:
Labor Day, Thanksgiving, Christmas, New Years Day, Memorial Day, and Independence Day.

TRASH SCHEDULE FOR HOLIDAYS ARE AS FOLLOWS:

Monday, September 4, 2023 Labor Day
All collection will be one day later for the week.

Thursday, November 23, 2023 Thanksgiving
Thursday trash will be picked up Friday and Friday trash will be picked up Saturday.

Monday, December 25, 2023..... Christmas
All collection will be one day later for the week.

Monday, January 1, 2024 New Years Day
All collection will be one day later for the week.

Bulk collection consists of furniture items, large plastic toys, bathtub, toilets that are placed out in two separate pieces by unbolting the back, and carpet that is cut into 4-foot length or less, rolled, and tied or taped into bundles less than 45 lbs. Please call our department should you have a question regarding a specific item you have. If any pieces of furniture have glass, please place an “x” going across both sides of the glass with a heavy-duty tape. No construction type debris, extra containers of trash, or extra bags will be collected curb side on your trash day or bulk day.

Electronic Disposal - TV’s, computers, printers, and other electronics would need to be brought to Public Works during normal business hours. Electronics are not picked up curbside. When you come to Public Works stop in the office in the small trailer and we can direct you where to go for drop off after you sign in, valid ID with residency in Winslow are required. No businesses will be able to drop off anything at our facility.

Batteries - Lithium-ion (Li-ion) batteries and devices containing these batteries should not go in household garbage or recycling bins. They can cause fires during transport or at landfills and recyclers. Instead, Li-ion batteries should be taken to household hazardous waste collection points.

Winslow Township issued toters are to be kept at the residential home where they were delivered. We ask residents to place the address on the toters to allow for easier identification. In the event your toter is cracked, wheels are damaged, or lids are breaking please call our department at 609-567-0700 option 2 or send an email to publicworks@winslowtownship.com so we can assist with repairs. Lost, stolen, or missing toters will require a police report as well as a fee.

TOTER PLACEMENT: The truck and robotic arm is large and needs space to operate and the carts must be separated by adequate space (3 feet) to allow the robotic toter grabber (clamp) to grab and dump toter. If toters are too close to one another, or too close to a fixed object (car, mailbox) the toter cannot be picked up and dumped. Toters must be at the curb by 7AM for pickup. If toters are not placed where lid opens facing the collection truck they will not be dumped.

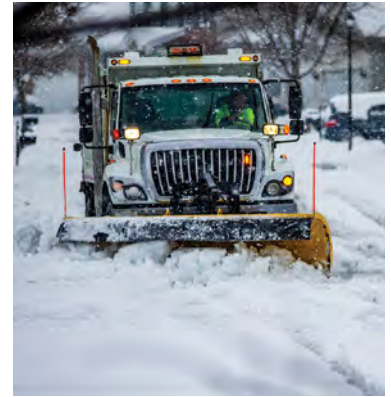

Snow Removal Information and Guidelines

Our Public Works Department is working hard to make driving safer and easier in snowy weather. Depending on the duration and amount of snowfall, township trucks may plow your street several times. As snow rolls off our plows, it will accumulate in driveways. Please understand that this is unavoidable, and it is the homeowner’s responsibility to clear it. Here are some helpful hints to make “snow” business less frustrating:

- Shovel snow to the right side of your driveway (facing the street) to minimize the amount of snow entering your driveway. If possible, wait until the township trucks have made at least two passes on your street before clearing your driveway. Shovel and/or blow snow onto the curb, not into the street.
- DO NOT PARK cars on the street from one hour after snow has continuously fallen until 12 hours after snow has stopped. This speeds the removal process and prevents cars from being plowed in.
- To ensure safety of pedestrians, residents must remove snow from sidewalks following a snow fall. Please remember that children are walking to school and bus stops are all over town.

FROM THE DEPARTMENT OF PUBLIC WORKS CONTINUED

- In the event of deep snow, please shovel around your mailbox and fire hydrants near your house – for your safety and your neighbors’.
- Not all roads in Winslow Township are maintained by the township. During bad weather, we often receive calls from our residents about the condition of roads whose maintenance is the responsibility of Camden County or the state.
- Route 30, Route 73 and Spring Garden Road are maintained by the State of New Jersey:

Snow removal, potholes, deer carcass, highway litter, malfunctioning traffic signals, highway street lights, high grass, damaged/missing signs, guardrail damage or other maintenance problem on state roads can be reported by calling 1. 800.Pothole.

THE FOLLOWING IS A LIST OF COUNTY-MAINTAINED ROADS, THEY CAN BE REACHED AT (856) 566-2980.

UTILITIES

NO GREASE DOWN THE SINK

Grease is a byproduct of cooking. It comes from meat, lard, oil, shortening, butter, margarine, food scraps, baking goods, sauces, and dairy products.

What's the Problem?

When grease washes down the sink, it sticks to the insides of the pipes. Eventually, the grease can build up until it completely blocks sewer pipes. That can create expensive maintenance problems and can cause raw sewage to back up into your home or business, or overflow into streets and streams.

How Can You Help?

- Don't pour grease down sink drains or toilets.
- Scrape grease into the trash.
- Or, pour grease into steel cans, let it harden, and throw in the trash.

NO WIPES DOWN THE PIPES

Wipes, cloths, and rags are being found in sanitary sewers at an ever-increasing rate. Many of these products are labeled as flushable, but while they may clear the toilet, they will most likely cause problems downstream.

What's the Problem?

Wet wipes, cloths, and rags don't actually break down the way toilet paper does, and can block pipes, cause mechanical problems at pump stations or treatment plants, and pollute the environment.

How Can You Help?

Do Flush

- Toilet Paper
- Human Waste

Don't Flush

- Disposable diapers, baby wipes and nursing pads
- Facial wipes
- Cotton balls and swabs
- Condoms & tampons
- Cleaning wipes
- Paper towels

PROCEDURES FOR A SEWER SERVICE PROBLEM

Occasionally a homeowner will experience a problem with their sewer service; i.e., lateral blocked, drain lines not draining or draining extremely slowly.

As the owner you are responsible for your sewer lateral from the house to the street. A backup may be internal, or it may be from the sewer main located in the street.

It is recommended to contact Winslow Township Utilities first before contacting a plumber by calling (609) 567-0700 Monday thru Friday 8:30 am – 4:30 pm

Winslow Township Utilities will check the sewer lines in the street and will advise you if it is necessary to contact a plumber.

Please be aware, that once a resident contacts a plumber, the resident is responsible for all costs associated with the plumber fees, etc.

After hours, holidays, nights and weekends – residents may call the non-emergency police number at (609) 561-3300 and On-Call Personnel from the Utilities Department

WINSLOW TOWNSHIP POLICE DEPARTMENT

Chief's Corner:

Dear Community Member,

On behalf of the Police Department, I welcome you to Winslow Township. The Winslow Township Police Department is an agency focused on community-oriented policing and is committed to improving the quality of life of our residents and visitors. As your Chief of Police, I am committed to leading this department in efforts to preserve a high quality of life and feeling of safety for Winslow Township's diverse population. Our Officers understand the importance of working as a team and partnering with local residents and businesses. Together, we will continue to make Winslow Township a better place to live, work, and play.

The Winslow Township Police Department strongly believes in community involvement, communication, and public awareness. Our Police Department is active on all main social media platforms, and we encourage every citizen to follow us so that we can keep you informed.

As always, thank you for being a part of the Winslow Township Community. It is our pleasure to serve you and address any concerns that you have. On behalf of all the members of the Winslow Township Police Department, we are honored to serve you. We appreciate all that you do in helping to keep this community safe. The Police Department could not be as successful without your assistance.

Thank you for your continued support!

Chief Don Lemons

REMINDER:

The Winslow Township Police department is always open and available to address your concerns. Please do not hesitate to call 911 for emergencies or 609-561-3300 for non-emergencies.

As we enter the fall months of 2023 and our children are back to school, please partner with us to keep Winslow Township safe by buckling your seat belt, following the speed limits, and not utilizing your cell phones while driving.

Our police department will be continuing a partnership with New Jersey Division of Traffic Safety and taking part of several traffic campaigns throughout 2023 including: Driver Sober or Get Pulled Over, Click it or Ticket and U Text U Drive U Pay. Our police officers will continue conducting extra radar enforcement throughout Winslow Township especially in residential developments. If you have any traffic related questions or concerns, please contact the Traffic Division, Officer William Thrower at wthrower@winslowpd.com or Officer Richard Saunders at rsaunders@winslowpd.com.

ANNOUNCEMENTS

Retirement

Chief Don Lemons and the Winslow Township Police Department would like to announce the retirement of Officer Ryan Crossley, badge #180, after 18 years of dedicated service in the Patrol Division. Patrolman Crossley can be proud of a distinguished career. His personal sacrifices and work ethic has helped us build a stronger police department. Patrolman Crossley has also served with the New Jersey Air National Guard since 1997 and continues that service today. He is a Veteran of the war in Afghanistan, where he was deployed in 2002 and 2003. We thank him for his service to our country and our community. He will forever be a part of our family. We wish him well.

Good luck in the future and enjoy your retirement! We appreciate all that you have done for our community.

New Officers

Mayor Marie Lawrence and township committee approved the hiring of three new Police Officers in July. On August 1, 2023, Recruits Ryan Deveney, Nathaniel Morales, and Blake Oltman started their new positions with the township and entered the Police Academy. All three of the recruits have experience in Law enforcement and community service.

Please wish them luck and success while they go through rigorous training at the police academy. We look forward to the day they are able to give back to the Winslow Township community by delivering professional police services to the residents and assisting them in improving their quality of life.

ANNOUNCEMENTS CONTINUED

Police Academy Graduates

The Winslow Township Police Department would also like to congratulate Officers Damon Belton #264 and Nate Clark #265 on their graduation from the Gloucester County Police Academy Class #62. Officer Belton and Clark will both be assigned to our Patrol Division where they will begin training in our Field Training Officer program.

Both Officer Belton and Clark shined throughout the police academy and were selected to be “Class Officers”. Officer Clark was selected to be the Guidon for the class and Officer Belton was selected to be the class leader.

We wish them a safe and successful career with our Police Department.

Recruitment/Hiring

The Winslow Township Police Recruitment Team is excited to announce that we are hiring. Our department offers a competitive salary guide, excellent benefits, and opportunities to specialize in many areas of policing. We are one of the best Police departments in the state and look forward employing team-oriented individuals who take pride in their selves and in the community that they wish to serve.

We are accepting resumes and hope to find some of the best and brightest residents who wish to pursue a career in law enforcement. If you wish to find out more information on our employment opportunities, please call Sergeant Matthew Gibbons at 609-567-0700 ext. 1215 or send him an email at mgibbons@winslowpd.com. Thank you to Mayor Lawrence and the governing body for your support!

AVAILABLE
NOW

ACTIVE SHOOTER AND AWARENESS TRAINING

The Winslow Twp Police Department is offering “**Active Shooter Training and Awareness**” for our local businesses, churches, and community organizations.

Should anyone be interested or want additional information please contact Captain Ray Cogan at 609-567-0700 x1138 or rcogan@winslowpd.com.

Junior Police Academy

The Winslow Township Police Department Junior Police Academy class graduated on July 14, 2023. This was another successful year for the program. Chief Don Lemons would like to thank all the Officers that assisted with this program throughout the week. Their dedication to community service is what made this class a success. Chief Lemons would also like to thank the parents for their involvement.

The Winslow Township Police Department will continue to host two (2), weeklong Junior Police Academies. The Academies will be broken up into Tier 1 and Tier 2. To be eligible for Tier 2, applicants must have already completed the Tier 1 program. Unfortunately, this summer we did not have enough applications to conduct the Tier 2 portion of the Academy. It is the hope of the Police Department that residents help us promote this program and encourage other residents, who meet the requirements, to sign up for next year’s academy.

The purpose of the Junior Police Academy is to provide young citizens with an Introduction to Law Enforcement. Our goal is to motivate young people to be outstanding citizens and empower them to act as a positive influence in our community. It will also transform the traditional role of the police officer into a mentor and a friend, while encouraging our young citizens to be partners in building safer schools and communities. When you bring police officers and kids together, you get better police officers and better kids.

The Junior Police Academy will cover a multitude of topics to include but not limited to, History of Law Enforcement, Gangs, Motor Vehicle Law, DWI Enforcement, Teens and Drug Use, Crime Scene and Evidentiary Processing, Fire/EMS Services, CPR Training, K-9, and SWAT. Each day will end with an hour of light physical training and military drill.

For more information on the Winslow Township Police Department Junior Police Academy please contact Patrolman Richard Saunders via email at rsaunders@winslowpd.com or at 609-567-0700 x1196.

ANNOUNCEMENTS CONTINUED

Community Policing

With the support of Mayor and Township committee the Winslow Township Police department was able to expand the administration division to assist with increasing our community policing efforts. This expansion allows us to dedicate Officers to focus on community outreach. If any businesses would like to partner with the Police Department and host or assist with a community policing event, please contact Captain Cary Robinson at 609-567-0700 ext. 1147, crobinson@winslowpd.com.

***Winslow Township
Community Outreach Game Trailer***

The Winslow Township Community Outreach Game Trailer was present during Winslow Family Day on August 19, 2023, at New Brooklyn Park. The game trailer will also be out at the Annual Fall Festival / Fire Prevention Program on October 7, 2023, at Miller Farms, 134 North Grove Street.

Coffee with a Cop, Cone with a Cop, Pizza with Police, National Night Out and Winslow Township Jr. Police Academy are some of the community policing programs that we will be planning in the future. We are looking forward to meeting with our community members and stakeholders at these events. Please join our Facebook page (Winslow Township Police Department) for the latest events that we will be hosting.

Road Openings . . . Did You Know?

Did you know that Winslow Township manages hundreds of road opening permits every year? We wanted to take a moment to highlight a largely overlooked but very important service that Winslow provides. When a company needs to repair or install a utility such as gas, electric, cable, phone or sewer lines they often need to cut into a Winslow Township owned road.

In order to “open up” a Township Road we require a permit so we can monitor the work and make sure the road is repaired correctly since our residents need and deserve safe and drivable streets.

Each time a road is dug up, Public Works, inspects the work and ensures the township guidelines are followed. Recently public utilities have dug up large sections of Edan Hollow and Primrose Gate. To ensure that the roads are left in a safe condition the Township required that the roads be repaved at no cost to Winslow. On smaller street openings the Township requires that contractors fix just the openings they made in accordance to current standards.

This is all done to ensure that our roads remain safe and accessible for our residents and the motoring public in general.

ANNOUNCEMENTS CONTINUED

ROAD PROJECTS

Under the direction of Mayor Marie Lawrence, the Department of Public Works plans, manages, and coordinates paving projects throughout Winslow Township. This past summer Winslow completed a large roadway preservation project in Oak Forest. This project consisted of the resurfacing of all of the roads interior to the development, structural repairs to the road as needed, new ADA compliant ramps installed at each intersection and new line striping for crosswalks.

The next project that is being planned is a roadway preservation project in Wilton's Corner which will include the resurfacing of Meetinghouse Circle. The Township received grants from the New Jersey Department of Transportation for both projects.

Currently Camden County is continuing with the widening of Cross Keys Road. This is a massive project that has been in the design phase for many years and is now well under way. The County started this project at Erial Road and Cross Keys and has been moving North in phases. The current phase under construction is through the Albion section of town from the County Technical School to the vicinity of Turnersville Rd. Camden County is also in the process of designing Mays Landing Road for repairs and resurfacing of the entire length of the road within Winslow Township. Camden County has further committed to repair and resurface West Fleming Pike from Rt. 73 to the Township border with Gloucester County.

We will provide more details as the County moves forwards with their planning.

Crews working for SJ Gas repaving a road in Primrose Gate as required by the Township at no cost to the Winslow.

Discover the Difference

Since 1952, families have trusted us with providing their loved ones with unique and memorable services.

Families choose us because...

- We own and operate our own crematory on the same property as the funeral home. We are one of only two funeral homes in the state providing worry-free cremation.
- Our compassionate care goes above and beyond, to walk your family through their time of need.

A full service funeral home serving the community with compassion and dignity since 1952.

THANK YOU TO THE BUSINESSES!

The Winslow Township Governing Body would like to thank the businesses that appear in this newsletter, for it is with their contributions that this newsletter is possible. The Township is not permitted to endorse any business, service or product, however, the Township does encourage residents to consider all the various businesses

WINSLOW TOWNSHIP FIRE DEPARTMENT

To our residents: We are a combination Fire Department consisting of both Volunteer and Career firefighters serving the community 24/7 from 5 fire stations and our Headquarters Facility covering nearly 60 square miles. Along with responding to calls, the Fire Department is very engaged in the community; participating in public education/relations events, supporting many charity events and Fire Code Enforcement, along with an aggressive smoke alarm inspection program for our residents.

We would like to remind everyone to change the batteries in their smoke alarms and carbon monoxide alarms or purchase the sealed battery models. An operable detector is truly a lifesaver! We recommend that you replace your units every 10 years. How can you help us?????

- Please keep your address posted and visible to view from the street to assist us in finding you.
- Do not obstruct fire hydrants and when it snows please shovel a 5-foot perimeter around the closest hydrant.
- Practice home fire drills and know two ways out of a house or building.
- Do not hesitate to call for the Fire Department should your Smoke or Carbon Monoxide Alarms activate!

The Fire Department is continuously trying to recruit interested individuals to volunteer as Firefighters. We are experiencing CRITICAL SHORTAGES and require the community's assistance to join our team to protect OUR Community. Volunteers make up a large portion of our emergency operations. We offer:

- **FREE** Training
- LOSAP- After 2 years of service, the Winslow Township Fire Department will contribute money into a retirement fund for each volunteer firefighter that meets the minimum requirements as outlined in the Winslow Township Fire District #1 point system.
- Annual incentive and Duty Crew Stipends.
- Volunteer Tuition Credit Program for College through the State of New Jersey.
- Fire Explorer Program for youths 14 – 18 years of age.

For applications to join the department as a volunteer firefighter, Fire Explorer or Second Responder Auxiliary, please call the office (609) 561-4225 or visit our website at www.winslowtwpfd.org.

For information on our free smoke alarm program, a tour of a firehouse or our attendance at a Public Relations/Education event, please visit our website at www.winslowtwpfd.org or call 609-561-4225..

Fire Prevention Week is October 8th – 14th, 2023. The Winslow Township Fall Festival which features our annual Fire Prevention will be held on Saturday October 7th, 2023 (rain date is October 14th) between the hours of 11:00 am. and 3:00 p.m. at Millers Farm on North Grove Street in the Cedar Brook section of Winslow Township.

To stay informed and up-to-date on WTFD happenings, like us on Facebook.

Smoke Alarms Save Lives!

Test your smoke alarms once a month.

A smoke alarm can save your life in a fire. Use the test button to make sure your smoke alarms are working.

U.S. Fire Administration FEMA Fire is Everyone's Fight.

Remember: Replace Your Smoke Alarms After 10 Years!

SENIOR CENTER LANDSCAPING PROJECT

The Township Purchasing Department is currently working with Elite Landscaping to come up with a new landscape design that will improve the overall landscape of the Edward “Bud” Duble Senior Center.

The front grounds of the Senior Center will be under construction much of the fall season. A 20’ Balsam Fir will be transplanted from a local tree farm. The project is anticipated to be completed mid-November and the towering fir will be illuminated for the first time this December for all residents to enjoy. The new landscaping is a beautiful addition to the Senior Center that can be enjoyed by all residents for many years to come.

This project has been funded by a Community Development Block Grant.

CAMDEN COUNTY HOME IMPROVEMENT PROGRAM

The Camden County Improvement Authority administers the Camden County board of Commissioners Home Improvement Program (HIP). This program provides financial assistance (in the form of a Deferred Payment Loan) for assistance to correct housing code violations that are dangerous or injurious to the occupants. To learn more about this program, including income guidelines and financial assistance specifics, please visit www.winslowtownship.com or call the Camden County Home Improvement Program directly at 856-751-2242.

JAKE'S PLACE PLAYGROUND AT NEW BROOKLYN UPDATE

Lots of progress has been made since last the announcement of the new playground feature in New Brooklyn Park. The Camden County Board of Commissioners was successful in their application to the New Jersey Green Acre's program that will provide grant funding totaling \$1,000,000. This will provide much needed funds to build the state of the art, accessible for youth of all ages and abilities. The project timeline is to be under construction before Spring 2024.

HOMEOWNER ASSOCIATIONS WE WANT TO HEAR FROM YOU!

The township likes to keep in contact with HOA's to notify residents of pertinent information, upcoming events, etc. But due to several factors, contacts at local homeowner associations can change often, making it difficult for the township to relay information directly to HOA members and its residents.

If you are on the HOA of your development, please email administration@winslowtownship.com with the residential point-of-contact of your HOA in Winslow Township (email addresses are best, please, so that information can be emailed out as needed). This person is usually a resident within that community that can disperse information to those residents within the development. Your help is appreciated!

WINSLOW

EMERGENCY MEDICAL SERVICES

LOCATED AT 2N ROUTE 73, CEDAR BROOK NJ 08018

Winslow EMS provides 911 ambulance services to all of Winslow Township and at times provides assistance to our neighboring communities and they provide the same for us. Ambulances are staffed with EMT's in Cedar Brook and Sicklerville 24 hours a day, 7 days a week.

Winslow EMS has responded to over 3000 call for assistance so far in 2023. Currently, there are over 35 Emergency Medical Technicians who work at Winslow EMS and many of them are working while in college.

If you are an EMT and want to be a part of your community EMS team please contact us. Looking to become an EMT?? Let us help you find the information you need. Please contact jmidure@winslowems.org for assistance.

We want to thank the residents and the Governing body of Winslow Township. The support we receive allows us to continue to provide service to our community!

Look for us at community events. We enjoy meeting our residents!

Help us help you!

***Make sure your house number is clearly marked**

***Keep an updated list of your medical history, medications, and allergies.**

***Keep all medicine in a secured area away from children.**

TAX COLLECTIONS OFFICE

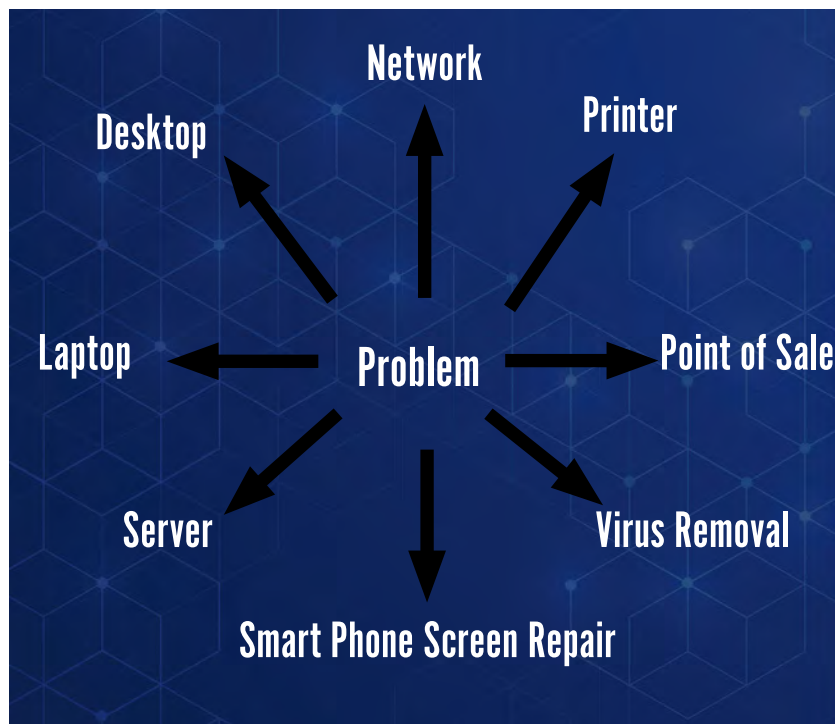

As some of you may know, our Tax Collector Connie Hegyi has retired after 19 years. We thank Connie for all her years of hard work and commitment to the residents of Winslow Township. Congratulations to Connie and best wishes in your next chapter.

We are excited to introduce Sharee Shiver as our new Tax collector. Some of you may know Sharee from coming to pay in person. Sharee came to the office 4 years ago as a Clerk. She worked hard and earned her Tax Collectors certification. Sharee is ready and excited to begin her new position as your Winslow Township Tax Collector.

Did you know... The Winslow Township Tax office is governed by the State of NJ? All municipalities are required by the state to have a State certified Tax Collector in place. As a statutory officer of the State, the collector is responsible to follow all the state statutes regarding tax collection which include but not limited to billing, due dates, and interest on delinquencies. No one has the authority to forgive interest on delinquent taxes. Please mark your calendars of the due dates. The first of February, May, August and November. Delinquent taxes create additional burden on the Township which in turn effects the tax rate and obligates this office to collect interest. Interest is charged at 8% on the first \$1500.00 and 18% on delinquencies over \$1500.00. Please pay by the first or within the statutory 10-day grace period allowed.

Did you know... The State of New Jersey offers several different tax rebates for property owners? Many local property tax forms and publications are available on the Division of Taxation Website. For eligibility requirements and forms, visit www.state.nj.us/treasury/taxation. Or you may call with questions for the following programs: Anchor program 888-238-1233 or Property Tax Reimbursement (The Senior Freeze program) 800-882-6597. Remember, we are always ready and willing to help as well. Stop by or give us a call 609-567-0700 Press option 3.
