

# New Brooklyn Erial Road One-way Detour

**Notes:**  
Advanced Warning signs shall follow NJDOT Standard Specifications and the latest MUTCD Standard Specifications. These signs are not shown due to limited space. Blue arrows show the detoured route and the red arrows show traffic flowing within the work zone. Traffic within the work zone may be shifted at times. Traffic Directors will be in place at intersections to direct pedestrians. Buses and all emergency vehicles will be permitted through the closed areas at all times.
